Contact us to for help determining exactly what Phonak Products you need. If you are not sure what color your hearing aid or cochlear implant is we can find out if you can give us the serial numbers from your hearing aids or Cochlear Implants.

Some of the Phonak products in the price list may need to be fit by an Audiologist because there may be settings in your hearing aids or cochlear implants that need to be set appropriately to make your hearing aid or cochlear implant work correctly with an FM system or neckloop.
